

Getting started with Last Mile Delivery

How does it work?

Guest places an order
with you online

Order is prepared
and packaged

Order is delivered
to guest

Why Last Mile Delivery?

You get to own the guest relationship: Guests can order directly from you, meaning you can better cater to their needs and influence their sentiment more, while still offering the speed and convenience of delivery.

Lessening the cost for guests: Keep guests happy by not having to pass on added fees and margins that are prevalent with aggregators.

No more wastage: With better control of your dispatch and prep time, you can help to reduce wastage. It's more sustainable and more profitable.
